

CHAMBER WEB SITE

www.claresholmchamber.com

ATTENTION CHAMBER MEMBERS

We now have a brand new, easy to navigate and great looking web site created by Designs of Steel who will also be maintaining and updating our web site on a regular basis.

We can now offer our members the opportunity to advertise on our web site in a very effective manner.

The very low cost of
\$50 per year
buys you a
full page ad space
on our web site.

This is very reasonable, especially if you do not have your own web site. And if you already have a web site we can link it to your full page ad on the chamber web site.

If you wish to take advantage of this incredible opportunity, just fill in the blank spaces provided and drop it off along with your cheque for \$50 at the Local Press or mail to: Box 1092, Clareholm, AB T0L 0T0
Please make cheque payable to:
Clareholm Chamber of Commerce.

If you wish you can also forward the information required to webads@clareholmchamber.com

(Please note payment must be received before your ad can be placed. Also a separate cheque from your membership cheque would be greatly appreciated. Our web site committee will send you a receipt)

Photo: You should try to provide a photo of your store, yourself or the products you sell. Please provide in digital format or hard copy format.
